

## River Homegroup

Where do we meet?	We rotate through the homes of our members.
What day of the week and how often do we meet?	We meet on alternate Thursdays 8-10pm
What kinds of activities do we do?	We start with half an hour's social time over a cup of tea, then usually follow the book or DVD recommended by Nick. We always pray. We sometimes meet socially at Xmas or in the summer.
Our homegroup is....	I think we are friendly and flexible, with a strong element of fellowship. The host usually leads the session, but we don't expect hours of preparation from them. We respond strongly to members' needs – once we abandoned the text for a whole session to talk through one person's issues that arose.
Why should you join?	The group might suit people who have school-age children (as do all current members) and/or new Christians (as we try not to have any expectations as to people's knowledge or views). Meeting once a fortnight means less time pressure on those with a lot of family commitments.
