Next Steps Project Prayer Guide March 2021

Let us start by praising and thanking God.

*“For the Lord is good. His unfailing love continues forever, and his **faithfulness** continues to each generation.”*
Psalm 100:5

Please give thanks:

- ◆ that the pre-start meetings for Phase 1 have been held with our contractor and operating arrangements agreed.
- ◆ that preparations are well advanced and the rooms are now clear and ready.
- ◆ for the regular giving, fundraising and donations which are all helping to increase the building fund.

For our Prayers

That the work for Phase 1 will be able to start without further delay.

Please continue to pray for the contractors who are preparing tenders for Phase 2, the Main worship area and front entrance, that they will grasp the church's vision for the building and offer value for money.

For Lucy Thatcher as she undertakes running 50km in March to raise money for the project, that she has God-given energy and stays injury free.

That the grant applications will be successful in securing additional funds for the project.

For continued energy and health for the team, especially Helen and Peter Thatcher who are carrying the lion's share. Thank you.
