

ONLINE GATHERED CHURCH

(Sunday 21st March 2021)

Dear Church Family,

If you're joining us for online gathered church this Sunday – welcome! Our aim is that through this service video you will meet with God as he speaks to you and as you receive from him, may each of us give our lives over to him afresh.

This Sunday, as we continue in our Year of Prayer as a church, sees us launch an exciting new outward focussed prayer initiative called 'Try Praying'. Some of you will have already received the Try Praying resources and others will be receiving it later this week. There's an explanation of how we can get involved with Try Praying in today's service.

After a break for our series in Prayer Matters, this Sunday sees us restart our series in the New Testament book of Romans. Cherie will be helping us explore the first two verses of Chapter 12 around the theme of Transformation. The famous evangelist Dwight L Moody said that, '*the bible was not given for our information but for our transformation.*' As we engage with the God's word, as we worship and we pray may we all be mindful that whereas change is inevitable, transformation is a conscious choice we make. Today may we choose to allow the work of the Holy Spirit to change what we were so that he may transform us into what we were not, for the sake of his Kingdom and his glory.

Here's the link to the service:

Please do join us after the service video has ended in our Zoom Coffee rooms from 11.45am.

Yours in Christ,

A handwritten signature in black ink that reads "Tim".
