

Bluntisham Baptist Church

Online Worship Service

30th May 2021

Dear Church Family,

Welcome to our online gathered worship for this last Sunday in May.

Today sees the beginning of our exciting new series on the Parables of Jesus. Tim will be introducing the series to us with a sermon all about why Jesus used parables.

We'll be praying using the PRAY acronym from Pete Greig's book, "How to Pray". We'll also have a reading, by Esther Horrex.

Younger (& young at heart) members of our congregation and others watching should look out for a famous story with a familiar message. If you like food – this one is for you!

Many thanks to all who work so hard to collate and distribute virtual services, particularly Peter Lusmore, Phil Taylor and Michelle Gore.

It is our prayer that as you take part in this service (however you do this) that you will encounter Jesus, his love and God's word for your life in this time.

Every blessing

Catrin Horrex (Elder)
